

FISCAL NOTE

SB 3572 - HB 3604

March 4, 2006

SUMMARY OF BILL: Authorizes cities, counties, and metropolitan governments to enact ordinances banning smoking in public buildings and restaurants within their jurisdiction. Establishments would be authorized to provide outdoor smoking areas. The provisions do not apply to establishments where 40% or less of the annual revenue is derived from food sales.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures – Not Significant/Permissive
Increase Local Govt. Revenues – Not Significant/Permissive

Assumptions:

- Any expenditures for enforcement of the provisions of the bill are estimated to be not significant.
- Local governments will experience an increase in revenues due to the collection of fines levied and collected for violations of such ordinances. The maximum fine would be \$50. The impact depends on the number of local governments enacting the ordinance but is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
